1.1 How to Get to Würzburg

Frankfurt (FRA, http://www.airportcity-frankfurt.de/) and Nürnberg (NUE, http://www.airport-nuernberg.de/) are the two airports within fairly close range (see map above).

From Frankfurt airport, there are direct train connections (InterCityExpress ICE) to Würzburg. The train takes about 90 minutes and departs every hour from the main-line station at the Squaire building next to the airport (follow signs "Fernbahnhof/Long distance trains").

From Nürnberg airport take the U2 metro outside of the airport in direction "Nürnberg Röthenbach" and get off at station "Nürnberg Hauptbahnhof (Hbf)". You are now at Nürnberg central station and can take a direct train connection (InterCityExpress ICE or RegionalExpress RE) to Würzburg. The train takes around 60 minutes and departs almost every 30 minutes.

Train tickets can be bought at a ticket machine at the station (see picture below). Connection information can also be obtained from these machines or can be looked up in the Internet (http://www.bahn.de/international/view/en/index.shtml)

1.2 Information about Würzburg and Tourism

Must sees: http://www.wuerzburg.de/en/visitors/must-sees/index.html

Further information about Würzburg and its sights can be found on the city's homepage (http://www.wuerzburg.de/en/index.html) and on Wikipedia (http://en.wikipedia.org/wiki/W%C3%BCrzburg).

1.3 Arriving in Würzburg

If you arrive in Würzburg by train, you can find the bus station ("Busbahnhof") directly next to the train station. If you leave the train station, just turn right for a few meters and you can already see it on the left side. Both spots are marked by yellow x in the satellite image below. All bus lines to the university (14, 114, 214) start there. Also almost all hotels are located along all of these lines. Please find the respective bus stop for your hotel as described below.

If you want to take a taxi, you exit the train station and turn left. The taxi stand is located at the right side of the parking lot.

The city center can be easily reached by tram or by walk, in which case you just walk straight out of the train station. All major points of interest and the bus stops, which bring you to the university can be reached easily.

1.4 How to Get to the University from the City Center

You can best reach the university from the city center by bus number 14 in direction *"Gerbrunn"*, number 114 in direction *"Hubland/Mensa – Fachhochschule"* or number 214 in direction *"Hubland (Uni-Zentrum)"*. If you stay in the south of the city, bus number 10 in direction *"Hubland/Campus Nord"* can take you to the campus.

A one-way ticket costs 2,45 €. If you buy a 6-trip-ticket ("Sechserkarte"), it is 35% cheaper (9,60 €). Tickets can be bought when entering the bus.

The bus schedule is available at: http://www.vvm-info.de/vvm/de/information/fahrplaene/pdf_fahrplaene/pdf_fahrplaene.jsp (select line number 10, 14, 114, or 214 from the "Linie (Nummer)" dropdown to get the PDF bus schedule)

Alternatively, you can order a taxi to your hotel:

- Karin's Funkmietwagen: +49 (0)931 42004
- Main Taxi GmbH: +49 (0)931 82228
